SENATE PROBES ATTACKED BY JAMES WATSON

Indiana Senator, Addressing State
G. O. P. Convention, Also
Annals Record of Demo-
cratic Party

WRONGS ENLARGED

Stories of Corruption, Greatly Ex-
aggerated, Broadcast as Ov-
erture of 1924 Campaign,
He Declares

Indianapolis, May 21. — An assault upon the work of what were charac-
terized as the destructive forces
temporarily in control of the situation
at Washington and a re-statement of
Republican principles constituted the
main themes of the keynote address
delivered today by its temporary
chairman, Senator James E. Watson,
of Indiana.

Besides assailing the senate in-
vestigators as seekers after political ad-
vantage regardless of the effect of
their work on the national govern-
ment, Senator Watson reviewed the
accomplishments of the Republican
party since the Civil war days; attacked
the record of the Democratic party
and praised the achievements of the
Harding-Coolidge administration in
the field of international relations. He
laid stress upon the senate investiga-
tions declaring that they were not
only obstructive of the enactment of
needed legislation, but also designed
to break down the faith of the Amer-
ican people in their national institu-
tions.

Wrong Doing Not Defended.

"We are not," witnessing the ben-
eficial effects of the activities of ob-
structive forces at Washington," he said,
"for many weeks the work of leg-
islation has been hindered or halted by
the effort being made by certain po-
litical elements temporarily in control
of the situation, to break down the
faith of the American people in their
national government. For weeks the
newspapers of the land have reeked
with stories of public corruption, ex-
aggerated out of all proportion to
their true value, broadcast from the
capitol at Washington as an overture
to the campaign of 1924.

"The Republican party does not de-
fend wrongdoing in public officials in
either state or nation. The pretense
that the personal guilt of an isolated
official is a party matter is essentially
hypocritical. The attempt to make
it appear, on no larger grounds than
yet have been developed, that the gov-
ernment is reeking with rotteness,
is a kind of politics which strikes
not so much at the party in power as
at the heart of government itself.

The effect of this remarkable cam-
paign has been to create distrust in
the hearts of the people and fear in
all phases of business and industry.
A morbid state of mind throughout
the country and in such an atmo-
sphere initiative and enterprise are
chilled.

Unemployment Increasing.

"The present is filled with doubt
and the future with forebodings be-
cause to many minds the work of the
factory wheels has been slowing
down. Unemployment is on the
increase, and the great prosperity we
have been enjoying as the result of
confidence in our government, confi-
dence in our institutions, confidence in
the soundness of our business enter-
prises and in our financial stability,
and confidence in our fellow men, is
steadily waning because of these re-
peated assaults upon them all for
trivial partisan purposes.

"Believe me, fellow Republicans,
when I say that the government of
this nation is clean and safe and
sound. Believe me when I say that
the foundations of the republic still
stand secure against the attacks of
these wicked undermining forces.

"The people, safe in the affections
of the people whose rights they protect
and whose interests they safeguard.
The people on the sun do not blot
out the stars. The few instances of cor-
ruption are infinitely small, as com-
pared with the masses where public
officials have been and are patriotic,
able and honestly doing their duty
every day and every hour.

"Glad Conduct Never Halted."

The standard of official conduct
under Calvin Coolidge is high in
the world never higher, and hope-
fully would be the future of our re-
public should any other rule obtain.
Remember the President of the United
States is all Americans do, his in-
tegrity, his zeal for the national wel-
fare, his noble morality, his ability
of promptness for the right, it is unfor-
tunate that with all the great power
was problem confronting us and the
difficult situation at our hands, the
President of the nation should be half-
hearted for weeks by the leaders of the
party out of power who have been
"dressed" in an effort to blacken the
President and besmear the Republi-
can party.

"We all know that that effort has
been a dismal failure. We all know
that the people have grown weary
with the flow of gossip and the flood
of scandal with which they have
been deluged from Washington. They
are interested first of all in the wel-
fare of their country and in the im-
provement of its problems, and not
interested in the efforts of political
leaders to win a personal or party
victory, and I greatly misjudge
both the masses and the spirit of the
people if, when the idea of November
nears, they do not give unsolicited
evidence of the fact that they have

PROBE REFUSAL TO GIVE DATA

Leader, Once Shipping Board
Head, Advised to Withhold In-
formation, Letter Shows

Washington, May 21. — Refusal of
Chairman Lasker of the Shipping
board to furnish data requested by a
member of the house merchant mar-
ine committee in 1921 was inquired
into today by the house shipping
board committee.

With D. S. Morrison, assistant to
the general controller of the board,
on the stand, Representative Davis,
Democrat, Tennessee, had read into
the record a letter from R. H. Mon-
tgomery, a special assistant for Las-
ker, advising him against supplying
the data which had been compiled
by Morrison.

"In view of the statements made
by you (Lasker) yesterday and today
to the appropriations committee in
the house," said the letter, "I do not
think you should make public the
statements herewith."

The statement showed a loss in op-
eration from July 1, 1920, to April
30, 1921, of \$241,000,000, including
depreciation. Montgomery claimed
they were incorrect, but Morrison
denied they were inaccurate.

Montgomery, according to Morri-
son, was a member of a New York
auditing firm to which the board
paid more than \$200,000 for auditing
its books.

VETERANS MUST WAIT FOR BLANKS

Forms Not Yet Printed, But Many
Requests Come Into the
War Department

Washington, May 21. — Already
besieged by requests from veterans for
adjusted compensation under the bon-
us law, the war department issued
a statement today pointing out to
former servicemen the futility of writ-
ing or calling for bonus payments at
the present time.

The special application blank has
been prepared and an order for 15-
000,000 has been placed with the pub-
lic printer, the statement said. The
blank is being prepared to fill the huge or-
der being order is being shipped to the
public printer by the factories and
the blank application blanks will be
promptly delivered to the depart-
ment for distribution to veterans
throughout the country.

In this connection the war depart-
ment has made arrangements for the
distribution through the post office de-
partment, the American Legion, the
various military headquarters and
civil societies. Printed instructions
will be distributed containing all in-
formation relative to the bonus and
the application blank itself will contain
specific instructions as to how they
should be filled out.

CENTRAL NOT TO CHANGE ENGINES ON CRACK TRAIN

Buffalo, May 21. — A new de-
parture in railroading was inaugurated
yesterday when the New York Central
began running its crack train,
the Empire State Express, straight
through to New York, without chang-
ing engines. Up to now, the Empire
state and west bound, has stopped at
Syracuse and changed engines. Now
there is but one change and that is at
Harmon, the point near New York
to which electrification extends.

F. S. Halsey, superintendent of the
Western division of the New York
Central, said that the changing of
engines saved much repair work in
the past, but that the equipment has
been so perfected that the switch is
not needed. It is possible that several
minutes may be clipped off the pre-
sented record breaking time of the train.

ONE HOFFMAN JUROR LACKING

New York, May 21. — Failing to
obtain a 12th juror for the trial of
Harry L. Hoffman, charged with mur-
dering Dr. Arthur A. Bauer on Staten
Island March 1st, Justice Therman in-
closed a subpoena today for a new
panel of 15 witnesses drawn for
today or tomorrow. The afternoon was
spent in a vain effort to obtain an
additional juror.

Before today's panel of 120 tal-
ents was exhausted, court attendants
were notifying business men of the
vicinity and workmen in nearby fac-
tories to appear tomorrow. More than
one-third of the prospective jurors
so far examined have declared them-
selves opposed to capital punishment.

WORLD CRIPPLE WATER SYSTEM

Los Angeles, Cal., May 21. — An
attempt to cripple the water supply
of Los Angeles by dynamiting the
aqueduct near Hayward, 100 miles
from here, was revealed today.

Detectors were rushed to the
scene and the city council offered a
reward of \$10,000 for apprehension
of those guilty. The dynamiting oc-
curred last night.

Not been deceived into believing that
mud-slinging is statesmanship, that
slander is logical, that vituperation is
wisdom, and that those who think
and act as if they were, greatly of-
fend the American people's sense of
propriety and justice and fair deal-
ing, which is deeply embedded in the
American heart."

Stating Republican principles, Sen-
ator Watson said the Republican par-
ty offered to produce the millennium.
He added that the Republican party
did not believe that, by undue exten-
sion of the power of government, the
nation should be made a huge chari-
tarian institution with a population of
dependent.

METHODISTS FAIL TO CHOOSE BISHOPS ON THREE BALLOTS

Ralph A. Ward Leads Field—Ex-
cept for Voting, Most of Day's
Action Confined to
Committee

Springfield, Mass., May 21. — With
the third ballot for bishops being
counted, the delegates to the Metho-
dist Episcopal general conference were
still at sea tonight as to who their
new Episcopal leaders would be.
It was freely predicted that Ralph A.
Ward of the Rochester delegation, as-
sociate secretary of the China board
of foreign missions, would be reveal-
ed a victor at the reporting of the
ballot tomorrow morning.

Except for the voting, most of the
day's action was confined to the com-
mittees. The committee of the state
of the church took action, which
was interpreted by those present
as a step toward liberalization of the
divorce laws. It recommended a resolu-
tion forbidding ministers to marry
the guilty parties in divorce suits for
infidelity, or any persons "mentally,
morally, or physically unfit."

Restricted by specific prohibitions
in certain cases, it was thought that
ministers would feel free to marry
persons divorced on grounds other
than infidelity—now forbidden by the
church discipline.

Ralph A. Ward Leads List

The election of bishops was the
cause of a special session of the gen-
eral conference late this afternoon.
There was the result of the second
ballot, taken this morning, to be an-
nounced, the first ballot of yesterday
not having given any man the neces-
sary two-thirds vote for election. Five
new bishops must be chosen to fill ex-
isting vacancies.

Four of those named in the first
ballot withdrew from the contest.
They were Rev. Merton S. Rice, De-
troit; Merle N. Smith, Pasadena, Cal.;
David D. Forsythe, Colorado; and J.
M. Melear, Tennessee.

With 544 votes necessary for elec-
tion, Ralph A. Ward, Scotchman, Chi-
cago, led with 451. He had led in the first
ballot with 310 votes. E. Stanley
Jones, India, who was fourth with
213 in the first ballot, moved to sec-
ond place with 453 votes. The rest
of the first 10 were as follows:

Titus Luomo, 363; R. J. Wade, 321;
G. A. Miller, 302; G. R. Groves, 218;
G. M. Gray, 201; John Thompson,
168; W. J. Davidson, 166; and J. R.
Edwards, 160.

Ward announced his withdrawal
from the contest after the results of
the ballots were announced.

PRESBYTERIANS ACT IN HARMONY

Take Stand Against Evolution and
Alleged Unorthodox Teach-
ings in China

(By the Associated Press)

San Antonio, Tex., May 21. — Un-
der a reign of harmony, the 44th an-
nual assembly of the Presbyterian church
in the United States here today took
its stand against evolution, against
alleged unorthodox teachings in the
seminary at Nanking, China, in favor
of remaining a member of the Al-
liance of Presbyterian and Reformed
Churches of the World, and disposed
of many other important questions.

The assembly took action as fol-
lows:

Reaffirmed its historic stand
against evolution by declaring its be-
lief in a special creation whereby
"Adam's body was fashioned out of a
matter previously created nothing,"
stated that any doctrine at variance
with this was dangerous.

Voted to continue its support for
the Nanking seminary but warned
that "unless the instruction in the
seminary be kept in harmony with the
historic evangelical interpretation of
the Bible" support would be with-
drawn.

SEEK EIGHT FIRM WARRANTS

New York, May 21. — Stocks
were being taken by federal authori-
ties here today to have bench war-
rants issued for six individuals and
one corporation mentioned in indict-
ments handed down by a United
States grand jury yesterday charging
a nationwide plot to place the Demp-
sey-Carpenter fight bets in interstate
commerce.

It has been officially stated that Tex
Richard, city promoter, and "An
Muma" of New York, both of whose
names have been mentioned in con-
nection with the senate investigations
in Washington, are among those in-
dicted.

FAMOUS BOOK COLLECTOR DIES

Geneva, May 21. — Beverly Che-
ster, famous collector of books and
manuscripts, died at his home here
today. He was a former vice presi-
dent of the Metropolitan Trust of
New York and was in numerous other
financial institutions both here and
other cities. He retired from active
business but a few years ago. He
came here and built a home especial-
ly adapted to his treasures and in-
cluding a magnificent library and a
result of very large dimensions. He
was a brother of T. H. Chew, presi-
dent of the General Trust company.

SEWAT AND "B" ROBBED

New York, May 22. — Two sub-
way stations and two elevated sta-
tions in widely separated parts of the
city were held up almost simultane-
ously today, the bandits getting
\$1,375, according to the police. The
ticket agents were the sole victims.
"Robbers were stationed at all sta-
tions immediately to prevent repeti-
tion of the robbery.

TAX BILL NOW APPROVED BY BOTH PARTIES

Early Approval of Unanimous
Agreement of Conference Ex-
pected by Both Branches
of Congress

NO LONG DEBATES

Senate to Take Up Consideration
Today or Tomorrow and House
Probably on Saturday —
Both Parties Claim Credit

Washington, May 21. — A tax re-
duction bill endorsed by leaders of
both parties and virtually every fac-
tion in the senate and house was
expected to be in final shape today.

Early approval of the unanimous
agreement of the conferees on the
differences between the senate and
house, reached today, by both branches
of congress, was predicted, and the
hope was expressed by Republican
leaders that the bill would be signed
by President Coolidge.

The conference report will be taken
up by the senate tomorrow or Friday,
and if approved, it is expected the
house will be able to act Saturday.
Little time is expected to be taken
in debate in either body and there
were indications tonight that prac-
tically no opposition would be en-
countered.

Elements of both the senate and
house provisions were approved and
leaders of both parties tonight were
claiming credit for the bill.

STIMMONS TAX PLAN ACCEPTED

The conference accepted without
change the Democratic income tax
schedule proposed in the senate by
Senator Simmons, North Carolina, but
turned down the other major amend-
ments gained by senate Democrats
and Republican insurgents, providing
for full publicity on tax returns and a
substitute corporation tax carrying a
surtax on undistributed profits.

The Simmons income schedule,
similar to the Longworth compromise
supported by house Republicans in its
adoption by this body, provides for
a revision of the surtax rates with
a maximum of 40 per cent applica-
tion on income of \$100,000 and over.

It would cut the present corpora-
tion rate of four per cent on incomes
up to \$1,000 and eight per cent above
that amount to two per cent on in-
comes of \$1,000 and under; four per
cent on incomes between \$1,000 and
\$5,000, and six per cent on those
above.

\$472,670,000 Estimated Reduction.

As compared with the present law,
Senator Smoot, chairman of finance
committee, said the bill as framed by
the house would have cut revenue by
\$445,720,000 in the next "calendar
year." The measure was framed by the
senate, he explained, cut returns by
\$55,120,000. As finally framed by
the conference, it would reduce gov-
ernment revenue by \$472,670,000.

The provision of a 25-per cent cut
in income taxes, payable this year, re-
mains in the bill.

Elimination of the senate corpora-
tion tax substitute leaves the present
corporation tax unchanged—a flat
12 1/2 per cent corporation earnings
and a levy of \$1 for each \$1,000 of
capital stock.

The house provision opening tax re-
turns to inspection by certain con-
gressional committees was automatic-
ally retained upon elimination of the
proposal for full publicity of the re-
turns as approved by the senate. How-
ever, an amendment was accepted re-
quiring the internal revenue bureau
to post, in addition to the names and
addresses of all tax payers as now,
the amount of tax paid.

HEADS OF FAMILY'S EXEMPTION RAISED

An amendment offered by Senator
Jones, Democrat, New Mexico, to open
all hearings before the proposed board
of tax appeals also was accepted.

Agreement was reached to exempt
from the three per cent cut all auto-
mobile trucks the basis of which
will be \$1,000 or less. The five per
cent tax on automobile tires, parts
and accessories was cut in half. The
senate had proposed to repeal en-
tirely the tax on parts and accessories.

The senate amendment proposed by
Senator Simmons, increasing from
\$2,000 to \$2,500 the exemptions for
heads of families with incomes of
more than \$5,000, was approved.
Heads of families with incomes of less
than \$5,000 now receive such an ex-
emption. No change was made in
the exemptions for single persons.

The Day in Washington

An agreement was reached by sen-
ate and house conferees on the tax
bill.

Hope of a vote this week on the
McNary-Haugen bill was dashed in
the house.

Senator Howell, Republican, Ne-
braska, assailed the Marin Loan board
in a senate speech.

The house commerce committee be-
gan hearings on bills to amend the
transportation act.

Action on the immigration bill by
President Coolidge before the end of
the week was forecast.

Consolidation of railroad properties
was endorsed by Secretary Hoover be-
fore a senate subcommittee.

ELWELL SLAYER KNOWN, STATES B. H. SANDLER

Attorney for Miss Kraus Says He
Will Clear Her Name—Evi-
dence Points to Man Pre-
viously Mentioned

New York May 21. — Asserting
that he had unearthed evidence which
pointed to the murderer of Joseph
B. Elwell and which would clear the
name of Viola Kraus, Bernard H.
Sandler, an attorney, disclosed today
he was preparing to demand that the
district attorney undertake a new in-
vestigation of the crime mystery
which has baffled the police for four
years.

Sandler, who is counsel for Miss
Kraus, now a resident of Paris, re-
vealed his plans after an interview
with his client's sister, Mrs. Walter
Lewisohn, who called on the France
under her stage name, Marie Delma.

Mrs. Lewisohn will join Miss Kraus
in Paris and accompany her to New
York in September. At that time,
said Sandler, he would take formal
steps to reopen the Elwell case.

Elwell, a wealthy sportsman and
whist expert, was shot to death one
night in June, 1920, in his apartment
on W. 76th street, which, coincident-
ly, Sandler owned.

Long Police Search Fruitless

The sportsman had been host at a
hotel dinner party the night before.
His guests had been Mr. and Mrs.
Lewisohn, Miss Kraus, and a South
American journalist. At a table near
Elwell's at the hotel dinner sat Victor
von Schlegel, the divorced husband
of Miss Kraus, and Miss Lilly Hope
Anderson, a singer.

In the long drawn out police search
for the murderer, all these persons
were quizzed many times but not a
clue was turned up leading to evi-
dence that linked any of them with
Elwell's death.

Sandler declared today that an in-
vestigation he had conducted privately
in the last year had put him in pos-
session of evidence which "positively
clears the name of Miss Kraus and
strongly points toward a man hereto-
fore mentioned in the case." He de-
clined to name the man or to say
whether his arrest would follow the
proposed investigation.

THAW GOES BACK TO MOTHER'S HOME

Released on \$10,500 Bail on Three
Counts — Camp May Not
Appear as Witness

New York, May 21. — After giving
bail of \$500 on the conspiracy indict-
ment which prevented his leaving
New York yesterday, Harry K. Thaw
announced today that he would
leave tonight for his mother's home
in Pittsburgh. The funeral of his
brother, Edward Thaw, who died in
Pittsburgh, Cal., will be held in Pitts-
burgh on Friday.

Thaw did not appear in court today.
His attorneys arranged for the \$500
bail in conference with General Ses-
sions Judge Olney and Assistant Dis-
trict Attorney Maloney. His total
bail on the three indictments against
him here is \$10,500. He pleaded not
guilty yesterday to all three indict-
ments, which charge assault in the
second degree, kidnapping, and con-
spiracy to remove Frederick Gump,
Jr., from the court's jurisdiction in
1918. The indictment followed an
alleged attack upon Gump in a New
York hotel.

Gump, who was 16 years old at the
time, since has married and is now
living in California. The district at-
torneys gave no indications today that
he had been able to obtain from
Gump a promise to come to New
York as a witness against Thaw. It
would be impossible to press the
charges if he should not appear as
complainant.

COUNCIL DISCUSSES PARK EXTENSION IN NEW YORK

New York, May 21. — Creation of
a park in the green lake region, east
of Syracuse, and the extension of the
Stony Point reservation to include
Jones ferry, were discussed at the
second meeting of the New York
State park council today. Negotia-
tions for the purchase of 600 acres of
land for the Tri-State park in the Ta-
coma region also were approved.

The council disapproved the re-
quest of the American Historical so-
ciety to appropriate \$15,000 for the
preservation of the John Bort Thatch-
er estate at Hilderberg, near Albany.
This action was taken on the ground
that \$15,000 of an appropriation made
last year for this purpose is yet un-
spent.

DOSEY HAS NEW PLANE

(By the Associated Press)

Shanghai, May 21. — Captain Pel-
letter Dosey will continue his Paris-
to-Tokyo flight Sunday or Monday in
a Chinese airplane, he announced
this afternoon, after he had made a
test flight in the Chinese plane.

The airplane was offered to the
Frenchman by General Ho Feng-
ling, military governor of Shanghai.
After Dosey's own plane was wrecked
when landing here.

FROST DAMAGES TOMATOES

Dunkirk, May 21. — Reports from
surrounding towns tonight indicate
the heavy frost early this morning
did much damage to the tomato
crop. Many of the farmers built bon-
fires on the fields and saved part of
their crop. Cherries and grapes were
not injured by the frost as the birds
were not far enough advanced

WORLD COURT PLAN AGREEMENT LIKELY

Hope Centers on Harding-Coolidge
Proposal for Membership in
Present Tribunal

Washington, May 21. — The senate
foreign relations committee devoted a
two-hour meeting today to a general
discussion of the World court question
with results which several members
predicted would lead to an agreement
between the committee and assure a re-
port to the senate before the ad-
journment of the session.

Belief was expressed by some sen-
ators that agreement could be reached
upon the Harding-Coolidge propo-
sal for membership in the present
court, with the so-called "highest
safeguards" included, not as reserva-
tions but as definite amendments to
the court statute; to be specifically
ratified by the signature to the proto-
col.

Must Agree to Reservations

The draft along the lines of the
Harding-Coolidge plan, introduced by
Senator Swanson, Democrat, Virginia,
was brought incidentally before the
committee which gave special atten-
tion to the section of the Virginia
senator, providing that American re-
servations or amendments must be
agreed to formally by the other ad-
herents.

There was said to be practically
unanimous agreement that the United
States could not agree to any
court plan which would bind her to
recognize the authority of the tribunal
to render separate advisory opinions.
A "reservation amendment," re-
garded by some senators as probable,
would deal with the alleged discrep-
ancy in voting power between Great
Britain and the United States of the
self-government British dependencies,
only the Irish Free State has failed
to sign the protocol, with the result,
it was contended, that Great Britain
might have an advantage over the
United States in any difference sub-
ject to a ballot.

FORD'S MUSCLE SHOALS BID LOSES FIRST TEST

Washington, May 21. — Henry Ford's
bid for Muscle Shoals went down in
defeat today in the first test of
strength before the senate agricul-
tural committee. Its supporters, how-
ever, will make another attempt at
an executive session Tuesday to have
it reported to the committee.

At today's session, Senator Mor-
rison, Democrat, Mississippi, offered
a motion to report the Ford bid with-
out recommendation.

It is now planned to offer a
motion Tuesday to report the bid
without recommendation.

Should the Ford bid advocates fail
in their attempt to get it out of
committee, they plan to bring it to
a vote in the senate as the substitute
to the committee proposal when that
it submitted.

BANKERS NEED SPEEDIER REMITTANCE CONVEYANCES

New York, May 21. — Although
the fastest trains are employed to
carry credit remittances from Detroit
and Cleveland to New York, this ser-
vice is too slow, in the opinion of the
western bankers who are considering
the inauguration of a combination
airplane and railroad service.

Under the tentative plan worked out
by the Detroit and Cleveland banks,
it is proposed that an airplane leave
Detroit at 5 o'clock every afternoon
of a bank business day, this plane to
stop off in Cleveland and again hop
off by 10:00 o'clock, arriving in Buffalo
in time to make connections with fast
trains of the New York Central
reaching New York city before 10
o'clock the next morning.

FLYERS LEAP 354 MILES; PLAN QUICK RESUMPTION

(By the Associated Press)

Tokio, Flight, May 22. — Official
dispatches to the Japanese navy de-
partment from Minato state that the
American flyers who arrived there
from Yotorofu Island, Kuriles, at 10:40
this morning, plan to hop off again for
Sesugaura, about 350 miles south,
after a rest of two hours.

LEAP OVERBOARD, IS DROWN

(By the Associated Press)

Manila, May 21. — Ten native pas-
sengers were drowned when they
jumped into the sea from the burning
interisland steamer Laloe at Higan
bay, off the coast of Mindanao, on
Monday.

The steamer carried approximately
250 passengers, many of whom were
teachers enroute to the Normal in-
stitute at Cagayan, Misamis province,
Mindanao. They were saved by cling-
ing to timbers thrown from the
steamer, from which they were re-
scued by small boats.

GUILTY OF FEMURY

New York, May 21. — Charles W.
Reedings, on trial for perjury in con-
nection with his examination as to his
qualification to sit as a juror in the
E. M. Fuller bucket shop case, was
found guilty by a jury tonight.

McADOO THEIR CHOICE

Columbia, S. C., May 21. — The
South Carolina Democratic convention
today instructed the state delegation
of 14 to vote for W. G. McAdoo as
the Democratic presidential nominee
at the national convention.

SEVENTH INNING COSTLY

Brooklyn Totals Seven Runs While Seven Hits, Defeating Reds, 9 to 2. Cincinnati, May 21. — Brooklyn pulled Cincinnati out of first place today by making a batting rally in the seventh inning, when they earned seven runs on seven hits, winding up by a triple by Griffith. Rixey had pitched well up to this point, but both he and May were driven off the mound during the big inning. Osborne, formerly of the Chicago Cubs, starting his first game of the season, held the team safe throughout.

Brooklyn . . . 500 011 000—7 14 2
Cincinnati . . . 000 011 000—2 8 2
Batteries — Osborne and Taylor; Rixey, May, Benton and Wingo.

GIANTS BREAK LOSING LIST

Take Last Game of Series from Pittsburgh, 10 to 5.

Pittsburgh, May 21. — New York broke its losing streak by winning the final game of the series from Pittsburgh today, 10 to 5. The game was featured by heavy hitting on both sides. Pittsburgh used five pitchers and New York two, McQuillan relieving Bentley in the ninth. Terry hit a home run in the first inning.

New York . . . 310 004 101—10 16 2
Pittsburgh . . . 000 011 000—5 9 1
Batteries — Bentley, McQuillan and Gowdy; Kremer, Lundgren, Stone, Steininger, Yde and Goch.

RALEY NOT LARGE ENOUGH

Four Runs by Boston Leaves Them Three Short of Tieing Score.

St. Louis, May 21. — The Boston Braves rallied in the ninth today for four runs, but were unable to overcome the Cardinals lead and the locals won, 8 to 5, in the final game of the series. Stuart allowed but nine hits, mostly scattered. Cruise hit a homer in the last frame with one on.

Boston . . . 000 001 004—5 9 1
St. Louis . . . 000 131 224—8 16 1
Batteries — Stuart and Gonnolas.

Is there any advantage in having catcher and pitcher "warm up" together?

Answered by RAY SCHALK

Catcher, Chicago White Sox. One of the greatest backstops of all time. Has caught 100 or more games per season for the past twelve years.

Whenever a catcher has to work in a game he should always warm up with the pitcher he is to receive that afternoon. Often this is not done and it results in loss of team work for a period of three or four innings. Even though catcher and pitcher are members of the same club and travel together constantly, the little association of "warming up" together before the game makes for better baseball.

The catcher should always warm up before a game as faithfully as should a pitcher. This is especially true if he is playing on a new or foreign diamond. Such warming up on a foreign diamond often allows him to size up the ground situation and make allowances for any little peculiarities he may find.

The sixth grade games scheduled for yesterday were postponed until Friday afternoon.

The games are played with indoor baseball equipment and are of seven innings duration. There are 18 teams in the league and a total of several hundred boys will be enabled to engage in the sport. This league is part of the scheme of E. L. Riedorff, supervisor of physical training in the public schools of the city, for participation of as many students as possible in all athletic sports.

Walter Johnson Pitched to Jim Delehanty First

Jim Delehanty, new American association umpire, was the first major league batter ever pitched to by Walter Johnson and Jim simply cannot forget that experience.

It was early one afternoon in 1908. Walter had reported the night before and this afternoon had warmed up preparatory to pitching to the Washington players in batting practice. It so happened Delehanty was up for his turn when the big raw-boned westerner strode into the box.

He just took a short wind-up and let go.

"I never had time to tee the bat off my shoulder," says Del. "That ball shot right by me, right in the groove and was in the catcher's hands before I knew it had left the rookie's hand. And when he came right back with another in the same spot, I laid my bat down and, walking to Joe Cantillon, said: 'Better get him outa there, he'll kill somebody.'"

"What he got," asked Cantillon. "Has he got a fast one?"

"Has he got a curve?" followed up Cantillon.

"I don't know and I don't care. What's more, I am not going back to find out until I know how good his control is."

Avoids Bright Lights

The athlete that amounts to such nowadays is he who takes the best care of himself. For instance, that is the secret of the success of Tommy Gibbons. Gibbons is a fighter to whom the bright lights mean nothing. His home is his rendezvous. He has put brains into his work and hence he has developed further than the rest of them at his weight.

The American Olympic rugby football team, whose winning of the Olympic contest in Colombes stadium, Paris, all but started a riot, Hissed and booed by the Paris crowds the Yankee boys played a great game. First fights took place in the stand when Americans cheered their team.

FORMER OLYMPIC STARS

Kraenzlein and Ewry, Two American Athletes Whose Names Are Inscribed on Olympic Hall of Honor.

(By the Associated Press.)

New York, May 21.—So long as the Olympic games continue to represent the peak of international athletic competition, the names of two American athletes will linger in the memory of those who follow the turns of the cinder path. These two men reached the pinnacle of individual athletic brilliancy, one by winning four different events in one Olympic meet, the other by winning two events in four successive Olympic meets and one other event in two successive meets.

Alvin C. Kraenzlein and Hag Ewry were the athletes who had inscribed their names on the Olympic roll of honor.

Kraenzlein, a University of Pennsylvania star in the late '90s, won four events in the second Olympiad at Paris in 1900. He broadened the tape first in the 50-metre dash, the 100-metre high hurdles, the 200-metre low hurdles and won the broad jump. His performance is the only one on record in the history of the Olympic games where any one athlete won more than three events.

Ewry's triumph is even more impressive because it was achieved over a stretch of eight years. In 1900, he won the standing broad jump, the standing high jump and the standing hop, step and jump. He repeated this triple triumph at St. Louis in 1904. At Athens in 1906 the Olympic committee eliminated the standing hop, step and jump but Ewry won the standing broad and high jumps for the third time with one past jump in London.

In 1908 he won these two events again, passing out of international competition at the conclusion of the London meet.

There are many instances of athletes winning two events in an Olympic meet and some who have won three events. Harry Hillman, present track coach at Dartmouth and a member of the 1924 Olympic coaching staff, achieved the remarkable feat of winning three events at St. Louis in 1904. Hillman won the 400-metre run and the 200 and 400-metre dashes. In the same meet Archie Hahn was crowned as sprint champion winning the 100, 150 and 200-metre dashes.

Triple victories have been recorded several times in Olympic annals, a feat of American stars performing this feat at St. Louis in 1904 when this country swept two golds. Harry Hillman, of Dartmouth, a member of the 1924 Olympic coaching staff, captured the 400-metre run and the 200 and 400-metre dashes. Archie Hahn was crowned sprint champion winning the 100, 150 and 200-metre dashes.

One of the most remarkable "triple" and the first one on record was scored by Hannes Kolehmainen, Finnish distance star, at Stockholm in 1912, when he won the 5,000 and 10,000-metre runs and the cross-country race.

Many double victories have been recorded, but the increasing tendency for athletes to specialize in one event has reduced the versatility which formerly was so prominent. Paavo Nurmi, great Finnish runner, who won the 10,000-metre run and cross-country race in 1920 at Antwerp, may try for the distance titles this year, while Charles Hoff, Norwegian holder of the world's pole vault record and all-around star, may figure prominently in several events, but these performers are exceptions.

America's American hopes, Harold Osborne, Illinois, A. C. high jumper and all-around star; Glenn Hartranft, Stanford discus and shotput tosser; Jole Roy, middle distance runner; and Loren Murchison and Charles Padlock, among the sprinters, are outstanding candidates for honors in more than one event.

GOLFERS PLAY TIE MATCH.

McKean and Simpson Held Cooperstown Fair to Even Break.

Yesterday morning there was a friendly match at the links of the Oneonta Country club between the professional James Simpson and S. E. McKean representing the local club and Professional Len Hayner and Leonard Harvey of the Cooperstown club.

The match ended in a tie and doubtless another meeting will be arranged. The score of each player was of obtainable last night, but McKean played the most consistent golf during in good scores for the three rounds of the nine-hole course. His figures were 35, 26 and 24 respectively which is considered exceptionally good even for so good a player as he, with the course quite soft from recent rains. He was exceptionally accurate yesterday with his putter.

NEW FIRE ALARM SYSTEM

Various Alarm Boxes Being Installed in Village—Unadilla Telephone Exchange Also Has Wire Connecting With Electric Siren on the Unadilla Telephone Company's Plant—Many Other Items of Interest About People of Neighborhood.

Unadilla, May 21. — Last Friday the Unadilla Sile company's large electric siren was connected with the Unadilla Telephone exchange and blown from the telephone office and from alarm boxes on street to test its efficiency.

The Unadilla SMO company very generously offered the use of their siren for fire alarm purposes and procured the necessary equipment for connecting it with various fire alarm stations. The siren is a double-headed siren, and is one of the largest and most expensive electric sirens made.

One alarm box has been placed on a pole at Lower Main and Clinton streets; another will be placed at the post office corner and others at various places as soon as wiring arrangements can be made with the Electric Light company.

To turn in an alarm now all one has to do is call central on the phone and give one's name and location of fire, and the operator will start the alarm by pressing the red button on the switch board and the siren starts its wailing noise running up and down the scale automatically until the engine has left the fire house.

Unadilla can also boast of up-to-date a fire alarm system, for the small cost of connecting with the various fire alarm stations. Her citizens will certainly appreciate the generosity of the Unadilla Sile company in making this fire alarm equipment possible.

Charles Castle on Vacation.
Charles Castle, D. & H. station agent, is taking a much needed vacation. He is now in Binghamton. Mr. Castle has been a most faithful employee of the railroad and while away just to the company has been All hopes for his early return to his duties.

Clean Up Week.
This is Clean Up week in Unadilla and on Friday and Saturday the Village Improvement society will have rubbish carted away it left at the curb. Please have it ready in the morning.

Improve Mother's Grave.
George Hard of Norwich and Mrs. Frank Moody of Sidney Center were in town Wednesday and had markers placed at the grave of their mother, Mrs. Margaret Hard, in Evergreen Hill cemetery.

Highway Commissioner.
At a meeting of the village board Tuesday evening Eugene DeForest was appointed highway commissioner to fill the vacancy caused by the death of Charles Carwin. The board also voted to resurface Clinton, Martin Brook and Depot streets, and to curb Martin Brook street.

Library Institute Instructive.
A very interesting and instructive Library Institute was held at the Community house yesterday. It was presided over by Miss Sabra W. Voight of the state educational department, assisted by Mrs. Elizabeth Blackall of the Huntington Memorial Library of Oneonta. Representatives were present from the Morris Public Library, Sidney Public and High School Library, and from those of the Oneonta Normal, Oneonta Public School and Huntington, Worcester, Schenectady, Cobleskill, Agricultural school and the public and school libraries of Cobleskill, Cannon Free library of Delhi and the Meredith Square Public Library. There was an attendance of 31 persons. Two sessions were held morning and afternoon. The townspeople are invited to attend, but are not quite understood and few availed themselves of the privilege. The sessions were exceedingly interesting and were thoroughly appreciated by those present.

Pumpkin Creek Pleases.
The play "Pumpkin Creek" given

by a cast from the Presbyterian church of Laurens was very successful. The characters chosen interpreted their parts to perfection and made it very realistic. The attendance was good, and would have been better if there had not been so much else happening just now. The former parishioners of Rev. John Hankin were especially glad of the opportunity to meet him.

Recovering from Pneumonia.
Friends of Howard Morse are very glad to learn that the prospects of his recovery from pneumonia are quite encouraging. Mr. Morse is the youngest son of Mr. and Mrs. T. H. Morse of this village, and lived here until manhood, and his friends here are many. He was ill for several weeks with intestinal influenza and the development of pneumonia left him in a critical condition.

Personal Mention.
Miss Martha Terry of Otego attended the County Christian Endeavor convention and remained at the home of her sister, Mrs. Elmer Bookout, until Monday. — Miss Susie Weidman, K. WOMAN AILING FOR A YEAR

Took Lydia E. Pinkham's Vegetable Compound—Happy Results

Newcastle, Pa. — "I was all run-down and everybody thought I was going into a decline. I had been ailing for a year with pain in my right side so that I could hardly stand on my feet. When I wanted to lie down as if something was wrong, I was not able to do any work and had a nurse most of the time. She spoke to me about Lydia E. Pinkham's Vegetable Compound, so I gave it a fair trial. Some women think one bottle should cure them, but I did not stop at that. I took more and got better, and am able ever since to do my own housework. There was a time, when I would complain of not feeling well, that my husband would say, 'Go to the doctor.' But now he will tell me to get a bottle of Lydia E. Pinkham's, and it has always helped me. I have had druggists tell me that they had something better, but they don't tell me that now, for I take no other. I have been taking the Vegetable Compound now for five years. Any woman who comes to call or write, I will be glad to tell her how it helped me." — Mrs. MABEL LIST SHERBURN, 515 Newell ave., Newcastle, Pa. For sale by druggists everywhere.

A huge attendance is desired. The annual does may be paid at this time.

Those who attended the Jubilee Institute of the Woman's Christian Temperance union at Sidney Center last week were: County president, Mrs. M. C. Alexander, Mr. and Mrs. Fred C. Potter, Mrs. Walter J. Palmer and Mrs. David R. Gladstone.

LOCAL MEETINGS

—Dr. Hubbard of the state department of health will hold a clinic at the nurses' home at the F. W. Memorial hospital at 9 o'clock this morning for the after treatment of infectious paratyphoid.

—Mrs. A. J. Prime, national representative of the Woman's Home Missionary society, will speak at the Methodist church this evening at 7:30. Mrs. Prime will be present at the annual district convention of the society to be held today at Sidney.

—All the money from the sale of tickets is not yet in, but it is thought the Oneonta Rotary and Kiwanis clubs will clear approximately \$800 from the two performances of the Woman's Home Missionary society. This money will be used for the establishment of a day nursery and dormitory for working girls in the city.

—J. G. Hoyt and D. W. Orcutt, members of the local Boy Scout council, gave interesting talks on Scout work at the meeting last evening of the Boys' club of St. James church. A Scout troop is now in process of formation within the club under the direction of Scoutmaster Ralph Bishop. Final details will be worked out at the meeting of the club next Tuesday evening.

NEW FRANKLIN LOCATION.

Showroom and Service Station Now Located at 80 Main Street.

The Franklin Motor Sales company is now engaged in remodeling the building formerly occupied by the Gloversville Knitting company at 80 Main street in a new showroom and service station and the work is progressing very favorably. While it will probably be several weeks before the work is completed, still already a noticeable change has been made and the appearance of that section of Main street considerably improved.

Large plate glass windows extend the entire Main street frontage of the building, with half devoted to a showroom for the sales department, and the other half given over to the service department. Also included on the street floor are office rooms and a stock room.

It is not planned to utilize the basement at present but on the second floor an attractive ladies' rest room will be constructed, the balance being given over to the storage of bulky parts and accessories.

Mr. Jones of Norwich, now numbered among the business men of Oneonta, agent for the Franklin car, said yesterday that the best possible service he considered an obligation of a dealer to drivers of his make of machine and that all equipment to assure this service either was installed or in process of installation.

A full line of accessories will be carried, and it is the object of the concern to do a general garage business as long as it can be satisfactorily handled, the convenient location of reasons for this act of Mr. Jones.

Meetings Today.

The Catholic Daughters of America will meet tonight at the trolley station to take the 8:10 car to the home of our late sister, Mrs. Luther Peck, to recite the rosary and will also meet Friday morning at St. Mary's church at 8:15 to attend the funeral. VETERANS OF BEMELSH

Held on Civil War Roundtable Wednesday at Wesley Memorial Church. —Fighting Talkers by Dr. A. H. Brownell.

The Kiwanis club was honored yesterday by the presence of a large delegation of Civil war veterans at the weekly luncheon. Although the ravages of time have reduced the membership of the local G. A. R. post to 22, there were 16 of these veterans present to enjoy the occasion. The chairman of the day, Flaurie A. Judd, invited C. J. Westcott, quartermaster of the post, to introduce each veteran, and the following were presented:

A. J. Barlow, D. C. Barnes, A. D. Blanchard, W. L. Brown, J. H. Brown, C. E. F. Brown, A. Kelley, H. R. Mackley, C. E. Morrison, Chas. Peck, Joshua Roe, G. W. Rowell, Louis Ward, C. J. Westcott, Richard Whipple, S. H. Wood.

Following the presentation, Secretary A. H. Brownell delivered a sincere and inspiring address of welcome, saying in part:

"For nearly 60 years the men of the Grand Army have been hearing in speeches of orators great and small of the deeds of valor done by you. Therefore I feel that there is nothing I can say that has not been said, no thought advanced not touched upon already, no statement made but you know better than I.

"The men of the revolution fought to establish a land for the free, a home for the brave. The soldiers of the Spanish-American war fought to protect a neighbor nation from the tyranny of a ruler who was no just supervisor. The American Legion has survived a war fought not alone to sustain the honor of our country, not alone in self-defense, but to help other nations sorely pressed and who cried for help. The men of the Grand Army fought not with foreign foes but with their brother men at home in steadfast determination that the land their forefathers gave their blood to establish should not be divided. Victorious in this conflict, the Stars and Stripes are now loved as much south as north of the Mason and Dixon line, and not a man north or south would allow a star to be removed. For every star there is a state, and for every state there is a star. In times of war we are enthusiastic for the flag; but in peace, through thoughtful men, we sometimes fail to render due honor. But will the time come when patriotism will become more national self-assertion, a sentimentality of cheerfulness without constructive duties.

"Gentlemen of the Grand Army of the Republic, we thank you that you have honored us by your presence this day."

At the conclusion of Dr. Brownell's fine address, C. J. Westcott expressed the thanks of the veterans for the privilege of attending the luncheon and their pleasure in the good-fellowship displayed. He stated that Farmer post had had over 200 members enrolled, but that the survivors now number but 22, and unlike most other organizations there is no way to get recruits. It will be but a short time, at best, before the last one must go.

Vice President Donald H. Grant also expressed the sentiments of the club, stating that it appreciated the privilege, honor and inspiration of their attendance, and hoping that all might be present at the next visit to the club.

The Kiwanis quartet gave a selection which was greatly enjoyed, in singing the patriotic songs on the program.

Other guests present were Matthew Fassman of New York, W. H. Chamberlain of Albany, W. J. Foster of Schenectady, Jay D. Lawson of Oneonta and Kiwanian Wilbur Oles of Delhi.

Next week the midday meeting of the club will be omitted and Ladies' night will be observed, with dinner at 7 p. m. Captain O'Hay has been engaged to furnish the entertainment, and there is a treat in store for all who attend.

HOBBART HERE SATURDAY

To Oppose Local High School at Neahwa Park at 2:30 O'Clock —Coach Riedelorph Optimistic of Team's Showing.

In spite of the fact that the Oneonta High school team has lost its two last games, Coach Riedelorph is optimistic in his outlook for the team and a good game is promised for Saturday afternoon when at 2:30 o'clock it will take the field at Neahwa park in opposition to the nine of Hobart High school, who are to visit the city.

Delaney, who has caught the last two games, is ineligible this week, and probably either Mulkins or Daley, both of whom are regulars behind the plate, will fill that position. "The same infield as has been used all the season will be seen on Saturday, but in the outfield it is thought that there will be some changes.

Both of the last two games of the locals were heartbreakers, the local team having an edge for the most part of the game, but their opponents managed to garner just enough runs to win on a series of break plays.

Receiving Stolen Goods.
Natalie Micermari, 28, a junk dealer, was arrested yesterday by D. & H. Officer D. D. Brown charged with receiving stolen goods. It being claimed that he had purchased from boys a quantity of brass parts stolen from the D. & H. repair shop. The man was arraigned before Judge VanWort late in the day and the case was adjourned until 3:30 o'clock this morning. In default of \$200 bail Micermari spent the night in the city jail. No charge has as yet been brought against the boys who stole the parts.

Notice.
The International Bible students of Oneonta have rented room 1 in the Westcott block, over Torrey's market, and will hold three meetings a week there regularly: Sunday at 8 p. m. from the 5th volume of "Studies in the Scriptures"; Wednesday at 8 p. m., prayer meeting; and Friday at 8 p. m. Bible study in the "Harp of God." All welcome. advt 11

TEAM NOW COMPLETE

Aggregation to Represent Oneonta on Diamond Arriving

BEGINS PRACTICE TOMORROW

Manager Thomas and Twiliter Walsh and Second Basemen Warner Carter and Fitch, Lohoe and Roche Expected Today or Tomorrow—List of Players Arrived Last Evening by Manager Thomas.

President Wilber of the Athletic association motored to his home city yesterday from Norristown, Pa., and accompanying him were Manager Thomas and Twiliter Walsh and William Harner, best known as "Tuck" Harner, who has been signed as shortstop. Manager Thomas and the other players are reporting to commence a week of preliminary practice before the opening on Memorial day. Lohoe is expected to arrive today and Fitch and Roche are expected to arrive on Friday. These, with the resident players, will commence practice tomorrow.

The full list of players signed for the season as announced last evening by Manager Thomas is as follows:

Pitchers—Scanlon, Davis, Walsh and Lohoe.
Catchers—Sinstack and Boylan.
1st base—Lohoe.
2nd base—Fitch.
3rd base—Roche.
Short—Harner.
Left field—Wilcox.
Center—Eckstein.
Right—Thomas.
Lohoe, the twiliter not previously announced, who hails from Falconer, pitched for Beth-Avoca last season and won games from both Hornell and Elmira, the two fastest teams in southwestern New York. He is highly recommended. He formerly had some experience in the Atlantic Coast league. He will, it is confidently believed, prove a valuable man in the box and with the others named give the city four moundmen capable of holding any team that comes.

M. L. Lohoe of Brooklyn will be at the initial bag. He is a typical first baseman of sufficiently elongated stature to reach most anything thrown his way. He played with Shenandoah last season and has played with some of the best semi-professional teams around New York and in Pennsylvania.

Frank Fitch is from Warren, Ohio, where he has won fame as a speedy infielder and a good hitter. He played with Dayton, Florida, last winter and left only when Leon Ames, his sponsor, returned to Ohio. He has played with some of the best semi-pro teams of the Buckeye state.

William or "Tuck" Harner hails from Pine Forge, Pa., and while recently on the reserve list of the St. Louis Cardinals is now a free agent, though a comer. He has played with Pottstown, Pa., and formerly was with Reading of the International league.

While on the trip to Norristown, President Wilber of the local association learned that Walsh, twiliter for the Yellowjackets of Frankford, N. J., last Sunday, shutting out the River side team at the latter place, 6-0. He allowed but four hits and struck out 20. He took the game and won.

though a youngster of 20 summers is well seasoned and will, Manager Thomas is certain, prove an effective man on the mound for the Oneontans.

With the team complete and the fans getting anxious for the opening day, it will not be surprising if a goodly number of them wend their way to the ball park afterwards during the next week to witness the men in practice. Indications are for a successful season.

THE SONGS OF LONG AGO

Old Folks' Concert to Be Given Tuesday by Farley Philathea Class.

An entertainment of genuine interest to every resident of Oneonta, is announced for Tuesday evening, May 22, in the auditorium of the First Baptist church. The entertainment will be an Old Folks' concert, and the program will include the familiar songs and anthems of 50 years ago or more. The concert is given under the auspices of the Farley Philathea class of the above named church, the music being in charge of Miss Florence Beach, but the list of singers will include many other leading musicians of the city. In addition to church music, there will also be solos, duets and quartets, presenting the familiar songs of the 50's and of a still earlier era.

A feature of special interest in connection with the concert will be the costumes, which will be made historically correct both for men and women. There will be about 35 singers who will take part in the program.

Admission to the concert will be 25 cents. Further announcement will be made at a later date.

NORMAL SPRING FESTIVAL

Uninterruptible Weather Normalization Postponement of Festival of State Normal School Until Tuesday Next.

Because of the continued coldness and persistent unsettled condition of the weather, the annual Spring Festival of the Oneonta State Normal school, which was to have been held this evening, has been postponed until Tuesday evening, May 22. As usual all friends of the school are invited to the entertainment, which will be held on the lawn of the school building.

The festival is produced under the direction of Miss Anna Love, supervisor of physical training at the school, and considerable time and effort has been spent in the preparation. All of those to whom the annual spring festival is so well known, will of course change their plans so that they may attend the affair.

Following is the program for the entertainment:

"In the Land of Make-Believe"
"Greeting"—Forest Spirits. Normal students.
Fairies, Grades 1, 2, 3.
Elves and Brownies, Grades 1, 2, 3.

Where Do the Dew-drops Come From? Dew-drop Fairies, Dorothy Carr, Grades 3, 4.
Butterflies, Grades 4, 5.
"Fairy"—Forest Spirits. Normal students.

To Engage Architect.

Pastor John W. Flynn of the First Methodist church has called a meeting of the official board of that church for this evening at 7 o'clock sharp, at which meeting it is expected that the building committee of the new church will recommend the engagement of a Philadelphia architect to prepare complete plans for the proposed new church edifice.

Attended Dedication.

Dr. Frank H. Marx, exalted ruler of the Oneonta lodge of Elks, and Justice A. L. Kellogg, were among the invited guests at the dedication banquet of the new Elks' home in Binghamton on Tuesday evening, at which Justice Kellogg was one of the speakers.

HIGH SCHOOL CONCERT

Program for Concert to be Given Friday Night at High School—Tickets Now on Sale.

Following is the complete program for the concert to be given at the High School auditorium on Friday evening, beginning at 8 o'clock, by the High School chorus, assisted by the High School orchestra, as part of the work on the entertainment has been under way for several months and that these efforts have not been vain is plainly demonstrated in the success of the past several rehearsals. Following the concert there will be dancing in the school gymnasium, an opportunity will be given to the enjoyment of the evening.

Tickets have been on sale for some time, but the intensive campaign will start today, with every effort being made to the end that patrons and friends of the school secure their tickets today or tomorrow. However, of course, tickets will be on sale at the door on Friday evening.

Part one of the program, an opera, will be given by the students of the primary grades of the Academy Street school under the direction of Miss Mable E. Perry, supervisor of music for the city schools, as is the second part. However, in preparation for the opera, she has been assisted by Allan E. Risedorph, physical training director, who has assisted in the dances and by Miss Lola Wagner, supervisor of public speaking and dramatic art, in the preparation of the discourse.

The second part is the annual program of the High School chorus and as will be followed from the program, a number of difficult and very pleasing numbers have been prepared. The program:

ILLEGAL SALE OF BEER.

Legal Grand Jury. Lizzie McCalla Forrester, residing at 10 Melkey avenue, whose name is not unfamiliar to police court reports, was recently apprehended by a federal enforcement officer charged with the illegal possession and sale of beer at her home.

She was arraigned before Attorney Arthur Seybolt, as deputy United States commissioner, when she waived examination and was held for the federal grand jury.

The arrest was made following a search of the premises on a search and seizure warrant issued after complaints had been received. Mr. Seybolt released her upon her own recognizance, to give her time in which to secure bail.

DEATH OF GEORGE U. NORTON

Former Clerk at the Wilber National Bank and Later With Collector of Internal Revenue.

George U. Norton, formerly employed at the Wilber National bank and a man well remembered by many here, died Wednesday afternoon at 2:30 o'clock at the home of his daughter-in-law, Mrs. G. W. Sherman, at Otego, after a long illness. He had been in failing health for nearly two years, out his more serious illness dates from the middle of March last. Death was caused by a malignant intestinal trouble and while a great sufferer he was most patient. He had been at the home of Mrs. Sherman for the past four weeks and had been in a critical condition for the past two weeks.

His funeral services are to be held from the Sherman residence in Otego, on Friday afternoon at 2 o'clock with interment in the cemetery there. The Greene Masonic lodge of which he was a member, will conduct the services at the grave.

Mr. Norton was the son of E. R. Norton, formerly and for many years a resident of Oneonta, and later of Hartwick, but now in ill health in Binghamton. His mother died some years ago. He married in 1903, Miss May Wilbur of Otego and she with his father and one sister, Mrs. Arthur Fox, of Elmira, are the only near surviving relatives.

Mr. Norton was for years employed as a clerk in the Wilber National bank, and was capable in that capacity. Later and for some 12 years he occupied a responsible position with the Pore Seed company of Greene. More recently he has been engaged with the internal revenue department in this district and had been advanced until he became chief deputy in charge of the Binghamton district, which he held until his failing health necessitated retirement.

Mr. Norton was a genial, likable man and possessed many excellent qualities which won and held friends. He was at one time a member of the old D. F. Wilber Hook and Ladder company, of the former volunteer fire department in Oneonta and is kindly remembered by many. He was a member of the Masonic lodge at Greene and of the Episcopal church in that village. All friends will extend sincere sympathy to the bereaved wife and other relatives.

Basketry at Oneonta Plains.

There were about 15 ladies present at the meeting of the Oneonta Plains Home bureau held yesterday at the Plains school, beginning at 10:30 a. m. Miss Alice Rosserman, the county agent, was present and gave a part of the first lesson in basketry. A program for the year was decided on and this program will be voted on by the advisory board at Cooperstown on the 23rd. The projects that receive the most counts with the advisory board are the ones which will be carried on through the year.
